Item 1.01. Entry Into a Material Definitive Agreement.

Agreement and Plan of Merger

On April 17, 2013, Roper Industries, Inc. (the "Company") entered into an Agreement and Plan of Merger (the "Merger Agreement") with DCMH Group Holdings, LLC ("DCMH"), Matador Acquisition Subsidiary, Inc. ("Acquisition Sub") and DCMH Stakeholder Representative, LLC, as representative of the unitholders of DCMH and holders of outstanding options to acquire common stock of DCMH Group Holdings, Inc., a subsidiary of DCMH (collectively, the "Sellers").

Pursuant to the terms and conditions of the Merger Agreement, Acquisition Sub will merge with and into DCMH Group, with DCMH Group surviving as a wholly owned subsidiary of the Company, on the closing date (the "Closing").

The aggregate purchase price payable to the Sellers at Closing is \$1.0 billion in cash subject to adjustment reflecting that the acquisition of DCMH by the Company at Closing will be on a debt free, cash free basis with DCMH's transaction expenses borne by the Sellers. In addition, the aggregate purchase price payable at Closing may be subject to adjustment up or down to reflect the difference between estimated working capital at Closing and a target working capital range. The Sellers have agreed to place a portion of the purchase price due to the Sellers in escrow in connection with their indemnity obligations under the Merger Agreement and for customary post-closing adjustments, if any, to the purchase price with respect to final determinations of Closing working capital and Closing cash amounts.

The Merger Agreement contains customary representations, warranties and covenants of the Company, Acquisition Sub and DCMH. From the date of the Merger Agreement until the Closing, DCMH is required to conduct its business in the ordinary course consistent with past practice and to comply with certain covenants regarding the operation of its business. Subject to certain limitations, the Company will be indemnified for damages resulting from breaches of DCMH's representations, warranties and covenants made in the Merger Agreement, pre-closing taxes of DCMH and its subsidiaries and certain other matters.

The Closing is subject to customary closing conditions, including the expiration or termination of the applicable waiting periods under the Hart-Scott-Rodino Antitrust Improvement Act of 1976, as amended (the "HSR Act").

The Merger Agreement provides for certain termination rights of the Company and DCMH including termination by DCMH or the Company if the Closing has not been consummated on or before September 30, 2013, but only if the party terminating the Merger Agreement (and in the case of the Company, either the Company or Acquisition Sub) has not materially breached the agreement and thereby prevented or frustrated the consummation of the transactions contemplated by the Merger Agreement.

The above description of the Merger Agreement does not purport to be complete and is included solely as a summary of the material terms of the Merger Agreement.

Item 8.01. Other Events.

On April 17, 2013, the Company issued a press release announcing the Company's entry into the Merger Agreement. A copy of the press release is attached hereto as Exhibit 99.1 and incorporated by reference herein.

Roper Industries, Inc.

ROPER INDUSTRIES TO ACQUIRE MHA

Sarasota, Florida, April 17, 2013 ... Roper Industries, Inc. (NYSE: ROP) today announced that it has entered into a definitive agreement to acquire Managed Health Care Associates, Inc. (MHA) in a cash transaction valued at \$1.0 billion.

Headquartered in Florham Park, New Jersey, MHA provides services and technologies to support the diverse and complex needs of alternate site health care providers who deliver services outside of an acute care hospital setting. MHA has the leading market position serving multiple niche markets including long-term care pharmacies, assisted living facilities, long-term care facilities, infusion and specialty pharmacies and other alternate site providers. MHA's services, software and analytics enable its customers to manage reimbursement, increase market access, reduce business complexity and purchase more efficiently.

Roper expects the acquisition of MHA to be immediately cash accretive and to generate \$95 million of EBITDA over the first twelve months of ownership, excluding the impact of acquisition-related fair value accounting.

"MHA meets all of Roper's key acquisition criteria and is an excellent addition to our Medical platform," said Brian Jellison, Roper's Chairman, President and CEO. "The business provides the leading network of solutions to the alternate site healthcare market. MHA's powerful technology tools and proven customer-service model continue to drive growth in their multiple niches. The company has attractive cash return characteristics and generates substantial recurring revenue through long-term customer relationships and very high retention rates."

Mr. Jellison continued, "MHA has a compelling business model and we have been impressed by the management team's passion and commitment. We look forward to working to enhance the value of the business for the benefit of customers, employees and shareholders. The business will continue to operate as MHA, marketing technologies and services under current brand names."

Completion of the transaction is expected within 30 days, subject to regulatory approval and customary closing conditions.
